

# ORDINANCE NO. 105

An Ordinance granting to the Carson Light and Power Company the right to erect and maintain electric lines and poles in the City of Carson, for the purpose of supplying said City and its inhabitants with electric energy or light, power, heat and such other purposes as electricity may now hereafter be used and to regulate the same.

The Board of Trustees of Carson City do hereby:

Section 1. The right is hereby granted to the Carson Light and Power Company, its successors and assigns, to construct, maintain and operate in the City of Carson, and in and upon the streets, alleys and thoroughfares thereof, such masts, poles, wires and other conductors for the transmission or conducting of electricity as may be necessary for introducing into and supplying said City and the inhabitants thereof, with electric energy or light, either as an incandescent, or both electric power heating apparatus, and for such other purposes as electricity may now or hereafter be used.

Sec. 2. The poles, masts and other appliances for supporting the wires, or the means of conducting electricity above the surface of the streets, ground and thoroughfares of said City shall be of sufficient height to cause no impediment to public comfort or convenience, and such poles to be erected and located in accordance with the requirements of the Board of Trustees of said City.

Sec. 3. Said poles and wires shall be placed and maintained so as not to interfere with travel on said streets, alleys and thoroughfares or public ways, and said Carson Light and Power Company shall hold said Carson City free and harmless from all damages resulting from any abuse of said occupancy. This grant is made and is to be enjoyed subject to such reasonable regulations, ordinances and resolutions as the Board of Trustees of Carson City, or its successors, is authorized and deems proper at any time or ordinance.

Sec. 4. The Board of Trustees of Carson City expressly reserves the right and power, whenever in its judgment the public safety, welfare or convenience may so demand, to require the said Carson Light and Power Company to change the location of its masts, poles and wires now erected or maintained or hereafter to be erected and maintained, but such change shall not be required until sixty days' notice thereof shall have been given to said Carson Light and Power Company or its authorized agent.

Sec. 5. The right of use herein given shall not be exclusive, and the Board of Trustees of said Carson City expressly reserves the power to grant like or other rights of way to others for electric purposes. The same, however, not to interfere with the reasonable and proper exercise of the privileges herein granted.

Sec. 6. In consideration whereof the said Carson Light and Power Company, its successors and assigns, shall, and by the acceptance of this Ordinance does, agree to allow the Board of Trustees of said Carson City to attach to or suspend upon or from the poles placed by said Carson Light and Power Company, its successors or assigns, wherever practicable within the corporate limits of said City, any and all wires which said City may require for the fire alarm or police telegraph service without charge or costs to said City therefor and said poles are hereby made a municipal instrumentality for these purposes; provided, however, that said attachments shall not be made so as to interfere with said Carson Light and Power Company's use; and said attachments shall be made and maintained under the direction of said Company's manager in Carson City. The said Carson Light and Power Company shall furnish for the said Carson City the use of its poles for the attachment thereto of its fire alarm boxes, without charge to the said Carson City.

Sec. 7. This Ordinance shall take effect from and after its passage, and the filing by said Carson Light and Power Company of an unconditional acceptance thereof in the office of the City Clerk of said Carson City, Nevada.

Dated Dec. 11, 1899.
